Location

Strategically located at Havant's A27 Junction, the Park provides easy access to Portsmouth, Southampton, and London.

The Park is well-linked to Portsmouth, Southampton to the West and London to the North via the A3. There are 1,850 on-site car parking spaces and 8 electric car charging points.

Further parking is provided in the town centre car parks, which are a 10 minute walk from Langstone Park.

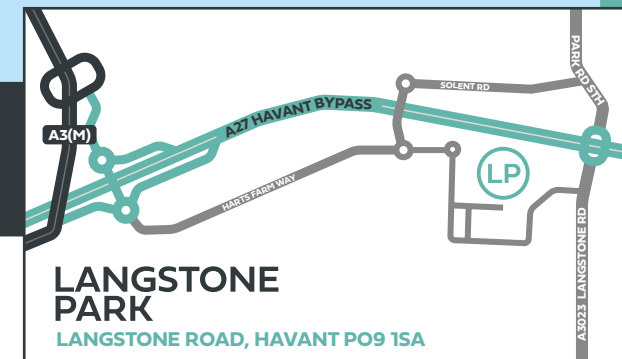

Havant Station is a major railway station on the South Coast rail network and is a 15 minute walk from Langstone Park. There are 5 direct trains an hour to London Victoria and Waterloo, with a fastest journey time of 1 hour 21 minutes.

Havant ranks #13 for the percentage of people cycling regularly in England. This is because there are an abundance of safe cycle routes throughout the Borough nestled between Solent and the South Downs, including the Coastal Path which runs to the south of the Park.
