Location

Strategically located at Havant's A27 Junction, the Park provides easy access to Portsmouth, Southampton, and London.

The Park is well-linked to Portsmouth, Southampton to the West and London to the North via the A3. There are ample car parking spaces on site and 22 Landlord controlled electric car charging points. Further parking is provided in the town centre car parks, which are a 10 minute walk from Langstone Park.

Havant Station is a major railway station on the South Coast rail network and is a 15 minute walk from Langstone Park. There are 5 direct trains an hour to London Victoria and Waterloo, with a fastest journey time of 1 hour 21 minutes. Regular trains connect to Southampton Central in 41 mins, a national rail hub served by GWR, Southern, and South Western.

From Havant to:

Portsmouth & Southsea	14 mins
Southampton Central	41 mins
Brighton	1hr 4mins
London Waterloo	1hr 21mins
London Victoria	1hr 51mins

From Southampton Central to:

Reading	50 mins
London Waterloo	1hr 23mins
London Victoria	1hr 32mins
Bristol Temple Meads	1hr 41mins
Birmingham New St	2hr 23mins

Havant ranks #13 for the percentage of people cycling regularly in England. This is because there are an abundance of safe cycle routes throughout the Borough nestled between Solent and the South Downs, including the Coastal Path which runs to the south of the Park.
